

Affiliated Service Provider	Any Agency having an agreement to access HMIS.
Agency	Any organization providing services to eligible homeless or near homeless persons, also know as Covered Homeless Organization (CHO), and has access to HMIS.
AHAR	Annual Homeless Assessment Report that HUD submits to congress to report on programs receiving funding from the McKinney-Vento Act.
Case Management	Services or activities for the arrangement, coordination, monitoring, and delivery of services to meet the needs of homeless individuals and families.
Chronic Homeless	A "chronically homeless" person is defined as: an unaccompanied homeless individual with a disabling condition who has either been continuously homeless for a year or more OR has had at least four (4) episodes of homelessness in the past three (3) years.
Client	A person who is eligible to receive services.
Client Consent	Acknowledgment by Client, that information is being collected, stored, and aggregated for reporting purposes within the HMIS. Allows for written permission to share information that is stored in the HMIS with another Agency.
CoC	Continuum of Care
Covered Homeless Organization (CHO)	Any organization (including its employees, volunteers, affiliates, contractors, and associates) that records, uses or processes PPI on homeless clients for an HMIS.
Disabling Condition	A diagnosable substance use disorder, serious mental illness, developmental disability, or chronic physical illness or disability, including the co-occurrence of two or more of these conditions. A Disabling condition limits the individual's ability to work or perform one or more activities of daily living.
Documentation of Homelessness	"SHP" and "ESG" grant recipients are required to maintain adequate documentation of homelessness status to determine the eligibility of persons served by HUD's homeless assistance programs. The documentation is typically obtained from the participant or a third party at the time of referral, entry, intake or orientation to the "SHP" or "ESG"-funded project. A copy of the documentation should be maintained in the Client file. Refer to "SHP" Policies and Procedures or "ESG" Policy and Procedures for more information.

Emergency Shelter:	Any facility:, the primary purpose of which is to provide temporary or short-term transitional shelter for the homeless in general or for specific populations of the homeless.
Encryption	Conversion of plain text into encrypted data by scrambling it using a code that masks the meaning of the data to any unauthorized viewer.
ESG	Emergency Shelter Grant.
HIPAA	Health Insurance Portability and Accountability Act.
HMIS	Homeless Management Information System. A computerized data collection tool specifically designed to capture Client level system-wide information over time on the characteristics and service needs of men, women, and children experiencing homelessness.
Homeless	As the term is defined in 42 U.S.C. 11302, hereby included by reference. In general, the term “homeless” or “homeless individual or homeless person” includes an individual who lacks a fixed, regular, and adequate nighttime residence; an individual who has a primary nighttime residence that is a supervised publicly or privately operated shelter designed to provide temporary living accommodations, or a public or private place not designed for, or ordinarily used as, a regular sleeping accommodation for human beings and whom do not have the resources or support needed to obtain housing. Criteria are discussed further under Client Eligibility, in the ESG Policy & Procedures and/or the SHP Policy & Procedures. Exclusion, the term “homeless” or “homeless individual” does not include any individual imprisoned or otherwise detained pursuant to an Act of the Congress or a State law.
HUD	US Department Housing and Urban Development.
IHFA	Idaho Housing and Finance Association. The owner and operator of the IHFA Homeless Management Information System (HMIS) and serves as the System Administrator and custodian of data in the HMIS.
