

Sample Failed Verification Report

The screenshot shows a Microsoft Internet Explorer browser window displaying the 'Enterprise Income Verification' website. The address bar shows the URL: <https://hudapps.hud.gov/eiv/thirdpartyincome/errorreportscontract.jsp>. The page title is 'EIV - Failed Verification Report By Contract - Microsoft Internet Explorer'. The website header includes 'Enterprise Income Verification' and navigation links for 'HUD Home', 'MF Housing', 'EIV Home', 'Search', and 'Email'. The breadcrumb trail is 'Income Information >> By Subsidy Contract >> Report Summary >> Failed Verification Report'. The main content area is titled 'Failed Verification Report by Contract' and contains a table with the following data:

| Contracts | MD06M000114 |
|------------------------|-------------|
| Re-certification Month | March |
| Households with Errors | 1 |

Below the table, it indicates '1 - 1 of 1 Households'. A 'Download Data' button is present. The report details are as follows:

Failed Verification Report for Contract: MD06M000114
HOH SSN: 214-04-4151 | HOH Name: LATOLYA BUTLER | Project Number: 05244017

| Member SSN | Member Name | Error Description |
|-----------------|-----------------|---|
| ██████████-8242 | MIQUELLE WOMACK | Verification failed - SSN not found in SSA records: ██████████-8241 |

At the bottom of the report, it states '1 - 1 of 1 Households' and 'Confidential Privacy Act Data. Civil and Criminal penalties apply to misuse of this data.' The browser's taskbar at the bottom shows the Start button, several open applications (Inbox - Microsoft Out..., EIV - Failed Verificatio..., Microsoft PowerPoint...), and the system clock showing 10:26 AM on a local intranet.
