

Do you have a Social Security Number (SSN)?

If you do not disclose a SSN, you may not be able to receive housing assistance.

The federal government requires each applicant for HUD-assisted housing to provide documentation of their SSN to the property owner/manager by the time a unit becomes available. This requirement affects household members who are U.S. citizens, U.S. nationals and eligible noncitizens.

The SSNs of all members of my household have been provided. What do I do?

Nothing further is required. The owner/property manager will contact you if there is a problem with the SSN of any of your household members.
