Applications not containing required documentation will not be scored. To determine individual funding awards after scoring, IHFA take the total CHDO scores points, divides the grant by the total score points. This determines the amount of funding each scoring point is worth. The individual CHDO score is then multiplied times the amount of funding each point is worth. No CHDO will be awarded more than \$50,000 in one year. IHFA is not obligated to award CHDO Operating Assistance grants, or an amount requested by the applicant.
